SUMMARY

WHAT THE PUBLIC PRICES TELL US

KEY FINDINGS

- **Apparel decoration is well covered locally.** Conquer Printing (North Highlands), TreeCity Print (Sacramento), RayLay (Sacramento), RCD (Placerville) and Bougie Print (Placerville) all publish rate cards or calculators for screen printing, DTF or embroidery.
- **Tees are the clear first product.** A 2-color tee comes to about $12 all-in at 48 units locally, leaving about 50% margin at $24.
- **Real costs run higher than the concept lookbook assumed** for most non-tee items. Using a heavyweight hoodie blank, patch caps, sherpa blankets and cleat backpacks pushes unit costs near or above the planned retail prices.
- **Specialty items have no local public pricing:** custom-knit scarves, hard-enamel pins, engraved stainless bottles, decals and magnets. These need direct quotes or national suppliers.

SUGGESTED SHORTLIST TO CONTACT LATER

1. **RCD (Placerville)**: closest to the club; public estimator, no screen setup fee, online team stores.
2. **Bougie Print (Placerville)**: DTF + embroidery with clear rates; $50 digitizing; school/team store program.
3. **Conquer Printing (North Highlands)**: the most complete published price list (screen + embroidery tiers).
4. **TreeCity Print (Sacramento)**: transparent screen, DTF and embroidery rate cards; 24-piece minimum.
5. **Sierra Stitch Factory (Shingle Springs)**: local embroidery since 1999; not publicly priced, worth asking for caps/blankets.

RECOMMENDATION

Launch with tees, hoodies (repriced), beanies and decals. Get direct quotes before committing to scarves, pins, bottles, blankets or backpacks.

REALITY CHECK

LOOKBOOK VS. PUBLIC PRICES

The concept lookbook used planning estimates. This table compares them with what the public prices imply at 48 units. Red rows would sell near or below cost at the planned retail price.

ITEM	PLANNED RETAIL	LOOKBOOK COST EST.	PUBLIC-PRICE EST. (48)	BASIS
Crest hoodie	$50	$18–24	**≈ $37–50**	RCD 8.3 oz pullover blank $24.82 + 4-color print $7.10 + sleeve embroidery ≈ $5; a true heavyweight blank pushes toward the $50 national-blank hybrid.
Fan tee	$24	$7–10	**≈ $12**	RCD estimator, dark cotton tee, 2-color, all-in.
Supporter scarf	$25	$7–10	**≈ $16**	No local price; national custom-knit benchmark (Pinpops).
Trucker cap	$25	$8–11	**≈ $19**	Conquer embroidery $7.40 + RCD C920 trucker blank $11.98; patch hats benchmark $19.25.
Pom beanie	$22	$7–10	**≈ $14–15**	Conquer embroidery $7.50 + RCD SP02 beanie blank $6.98 (pom style to confirm).
Engraved bottle	$30	$11–15	**not priced locally**	Only national benchmark is brand-name Hydro Flask ($62); a generic 32 oz bottle needs a quote.
Enamel pin set	$15	$3.50–5	**≈ $13 / set**	No local price; national hard-enamel benchmark (VeperPins), tooling unclear.
Sherpa blanket	$40	$16–22	**≈ $31–32**	Sherpa blank + Conquer embroidery hybrid; NorthEast Fleece benchmark $30.97.
Cleat backpack	$45	$18–24	**≈ $48**	Athletico youth blank reference + Conquer embroidery; above the $45 planned retail.
Decal + magnet	$10	$2–3	**≈ $10 / pair**	No local price for this spec. National benchmark (Bagmasters decal + 4AllPromos magnet) ≈ $10.03 per pair, equal to the planned retail. Local signal: a Peak Printz sticker-widget total of $29.25 (25-sticker minimum).

PRICING ADJUSTMENTS TO CONSIDER

Hoodie $60–65 (or a midweight blank and no sleeve embroidery); cap $28–30; blanket $45–50. Swap the cleat backpack for an embroidered drawstring cinch bag; use a generic bottle instead of a brand name.

WHY THE GAP

The lookbook assumed bulk promo-blank costs. Real local pricing adds per-piece decoration, setup and digitizing, and premium blanks at small quantities.

2. Can you run a club web store or pre-order window, and do you bag and sort by player for pickup?
3. Non-profit or youth-sports discounts? Reorder pricing that reuses screens and digitizing?
4. Turnaround for a pre-order run, and rush fees for all-star or AGM deadlines.
5. Will you decorate customer-supplied items (scarves, bottles, blankets) bought elsewhere?
